

## **PTE is a world-leading provider of secure English language tests**

Pearson Test of English (PTE) provides secure English language testing for study applications worldwide, and for visa applications for work and migration to Australia, the UK, New Zealand, and Canada. PTE is trusted by 3,500+ universities and colleges globally

Every year, tens of thousands of people trust PTE to help them rapidly prove their English proficiency – and to open doors to their future lives and careers.

### **There are 3 types of PTE tests:**

1. PTE Academic  
The English test for global study – now accepted for all Canadian study permits. Also accepted for Australia and New Zealand visa applications, UK work visas, and US nursing applications.
2. PTE UK:
  - For Family and Settlement Visas, as well as UK Citizenship, you can take PTE Home to prove your English at A1, A2 or B1 Level
  - For Study: To study in the UK, you can use PTE Academic or PTE Academic UKVI, depending on your degree level
  - For Work: to work in the UK, you can take PTE Academic UKVI for skilled worker visa, start-up visas, innovator visas and Tier 2 Minister of Religion visas
3. PTE Core:  
PTE Core is a computer-based English test that assesses your general speaking, writing, reading and listening skills in a single test. You take the test in a small, friendly test center environment in just two hours. It's recognized by the Canadian government (IRCC) for permanent residency applications under all economic classes.

### **PTE Academic recognized for Student Direct Stream (SDS) route into Canada**

PTE Academic is now accepted by the IRCC (Canadian Government) for their SDS study visa application process.

If you've taken a PTE Academic test in the past two years, you can use your score as part of your application.

### **What makes PTE different?**

- PTE is Simpler! Just a single, 2-hour test which assesses all 4 skills – reading, writing, listening and speaking
- PTE is Fairer: We score using AI, so you're judged simply on your English proficiency and nothing else
- PTE is Faster! With PTE 95% of results are typically within 48 hours
- Tests can easily be booked 24 hours ahead of time. Book yours today at any time you like!
- Tests available 24/7, all 365 days!
